

SIZING INFORMATION

Below are the sizing information regarding portrait, landscape and square shapes. We abbreviate these sizes when referencing the shape of some of our products. eg; A4 Ticket Holder **(P)**

❖ What we mean by **(P)** "Portrait"
"Portrait" describes a dimension where its length or height is greater than its width.

❖ What we mean by **(L)** "Landscape"
"Landscape" describes a dimension where its width is greater than its length or height.

❖ What we mean by **(Sq)** "Square"
"Square" describes a dimension where its width is the same as its length or height.
